TERMS AND CONDITIONS

1. **CONTRACT:** The order outlined on the Purchase Order together with these terms and conditions will become a binding contract (“Contract”) upon receipt by Titan Mid-Atlantic Aggregates LLC d/b/a Castle Sands (“Buyer”) of a written acceptance duly signed by the company identified as Supplier or Seller on the face of the Purchase Order (“Seller”). Any additional or inconsistent terms or conditions in Seller’s acknowledgment of this order are not binding on Buyer unless agreed in writing by Buyer. Shipment of Goods (as defined below) or performance of services that are the subject of the order shall be deemed to be an acceptance by Seller of the terms of this Contract.
2. **DELIVERY:** Time is of the essence. If any Goods are not delivered or services not performed within the time specified in this Contract (or within a reasonable time if no time is so specified), or such Goods or services do not otherwise meet the terms of this Contract, Buyer may, without limiting its other rights or remedies, refuse to accept such Goods or services and cancel this Contract or Buyer may cause the Goods to be shipped by the most expeditious means of transportation, whereupon any additional transportation charges in excess of those which would apply for the usual means of transportation shall be for the account of Seller. The risk of loss or damage in transit shall be upon Seller. Title to the Goods, and any portion thereof, shall pass to Buyer at the time of delivery and acceptance at Buyer’s site set forth on the Purchase Order or later designated by Buyer in writing. All shipping, handling or other delivery charges are set forth on the Purchase Order or included in the price of the Goods or services and Buyer shall not be obligated to pay any such charges except as expressly set forth on the Purchase Order.
3. **CANCELLATION:** Except as provided herein, this Contract may not be modified or terminated orally, and no modification or termination nor any claimed waiver of any of the provisions hereof shall be binding unless in writing and signed by the party against whom enforced. In the event that conditions arise which in the opinion of Buyer make it inadvisable for Buyer to purchase the Goods or services, Buyer may terminate this Contract at any time upon written notice to Seller. Upon termination, Seller shall only be entitled to receive payment for: (i) Goods for which it has made firm, uncancelable contracts, provided that such Goods are delivered to Buyer; and (ii) any other bona fide obligations assumed by Seller prior to receipt of notice of termination which obligations cannot with all reasonable effort be canceled, provided any benefits accruing from such obligations are assigned to Buyer.
4. **WARRANTIES AND REMEDIES:** Seller expressly warrants that all goods, equipment, supplies, materials, parts, (collectively, “Goods”), services and work covered by this Contract will conform to the specifications, drawings, samples or other description furnished or adopted by Buyer, and will be merchantable, of good design, material and workmanship, fit for the purpose intended and free from defect. Such warranties shall survive inspection, test, acceptance and payment. Seller agrees to indemnify, defend and hold Buyer harmless from all claims, liability, loss, damage and expense, including attorney fees, incurred or sustained by Buyer by reason of any breach of such warranties. All Goods, services and work are subject to inspection by Buyer. Buyer, regardless of when payment is made, and without prejudice arising from any prior delivery and acceptance under this Contract, in addition to its other rights, reserves the right to reject any part of the Goods, services or work which does not conform to this Contract, and receive a corresponding adjustment in the purchase price or require prompt correction or replacement thereof at Seller’s expense, including transportation charges, for both any return or new product, and labor costs. Buyer shall have the right to set-off any amount owing from Seller to Buyer against any amount payable at any time by Buyer to Seller. Seller warrants that title to all Goods shall be free and clear of all liens, claims, security interests, encumbrances, or other defects of title. Seller shall not permit or suffer any lien or encumbrance to exist on or against the Goods and materials, or portions thereof, by any person or entity claiming by, through or under Seller,

In the event Seller fails to achieve the foregoing, Buyer will have the right but not the obligation to pay all costs, including attorney's fees and other administrative costs incurred, to obtain a release and discharge of such lien and Seller will be liable for such costs. Seller shall indemnify, defend and hold Buyer harmless from and against all claims arising out of such liens and/or encumbrances. The rights and remedies of Buyer and the warranties of Seller set forth in this Contract shall not be exclusive and are in addition to any other rights, remedies and warranties provided by law or under this Contract. The failure of either party to enforce any rights under this Contract shall not constitute a waiver of such rights or any other rights under this Contract.

5. **BUYER'S PROPERTY:** All equipment or material furnished to Seller by Buyer, and all drawings, blueprints, jigs, fixtures, printing plates, dies, tools or patterns, etc., prepared in connection with this order or charged by Seller to Buyer shall be the property of Buyer and shall be delivered to Buyer at its written request.
